

KY TRANSPORTATION CABINET AGREES TO DOCUSIGN

The Transportation Cabinet has agreed that during this state of emergency, dealers may submit all forms signed by DocuSign (sample is attached below). This has also been communicated to the County Clerks.

Please note, your documents must show the (DocuSigned by: inscription along with the DocuSign number that appears below the signature). If possible, please include at least one of the confirmation sheets (shown on 2nd page of attachment) with each transaction.

If you are using a system other than DocuSign, all of the above requirements will still apply and you may need to get it approved through your County Clerk or through MVL.

Identification still needs to be verified and forms notarized where required.
